

## Mac Repair & Service

Looking for a Macintosh repair center? MacTEK is an Apple Authorized Service Provider that means our technicians are trained and certified by Apple to perform AppleCare service and non-warranty repairs.

MacTEK is centrally located in Las Vegas and drop-off is so easy! Just call us, make an appointment (same day is OK), pull-up and park right by our door. We're the most convenient Mac service in Vegas. (Pick-up and on-site services are also available.)

• AppleCare Warranty Service • RAM/Hard Drive Upgrades • Troubleshooting • Cracked LCD Repair • Data Recovery • Liquid Damage

Always have an Apple Authorized Service Provider work on your computer. Any other repair services will void your warranty.
